QUESTIONS ABOUT YOUR BILL If you have questions about your bill, please call our service representatives at (530) 642-4000 or visit www.eid.org and click on customer services.

TERMS OF PAYMENT All charges are due by the due date on the other side of this bill. Past due accounts are subject to a late payment charge of \$10.00, which will be reflected on a subsequent bill.

The **Due Date** on the bill applies to current charges only.

NON-PAYMENT OF BILL The District reserves the right to disconnect any water, sewer, or recycled water system customer for non-payment of a bill.

If your service is disconnected because of non-payment, you will have to pay the past due amount and a reconnection fee to regain service.

RETURNED CHECK CHARGE A fee will be charged for any returned check, and the returned check must be redeemed in cash or by money order within two working days.

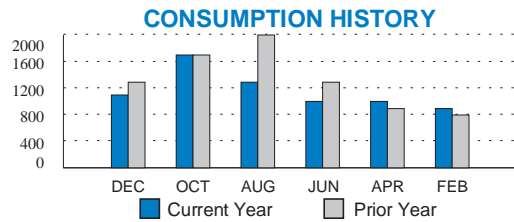

ADA ACCESSIBILITY EID's policy is to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including individuals with disabilities. If you are a person with a disability and require information or materials in an appropriate alternative format; or if you require any other accommodation, please contact our ADA Coordinator by phone at (530) 642-4045 or by e-mail at adacoordinator@eid.org.

ACCESS TO FACILITIES When you apply and receive service, you license the District and its authorized employees and agents to enter your property at reasonable times to read, inspect, check, repair, maintain, or replace District meters, backflow prevention devices, and other facilities.

The meters need to be accessible at all times. If meters cannot be read because of obstructions, customers will be asked to correct the problem. If the condition persists, service will be subject to disconnection and a reconnection fee to regain service.

WATER CONVERSION FACTORS Your meter reads in cubic feet (CF).
 1 cubic foot = CF 100 cubic feet = CCF
 1 cubic foot = 7.48 gallons of water

One acre-foot of water = an acre of land covered by water one foot deep.
 1 acre-foot = 43,560 cubic feet of water
 1 acre-foot = 325,829 gallons of water

Would you like to receive important District news and information by e-mail?

Please provide your email address: _____

Your e-mail address will never be shared with third parties and you may unsubscribe at any time.

Please make any changes or corrections to your billing address or phone numbers below:

Name: _____

Phone Numbers: Home _____ Work _____ Mobile _____

Billing Address: _____

City: _____ State: _____ Zip: _____

- 1. El Dorado Irrigation District's Address:** This is the main office address for EID.
- 2. Utility Account Information:** This includes account number, statement date, service address, billing cycle, last bill amount, payments made since last statement, adjustments made since last statement, balances or credits brought forward from last bill, and the bill's due date. It may also state "Recurring CC Statement Date" or "Direct Debit Date", if the bill will be paid automatically.
- 3. El Dorado Irrigation District's Contact Information:** This includes the telephone number to the main office and for emergencies, and the direct telephone number for the Billing Department.
- 4. Meter Information:** This includes service periods, days in billing cycle, meter number(s), meter size(s), current reading(s), previous reading(s), usage in cubic feet (CF), along with estimated usage in gallons and gallons per day. If you have multiple meters you can determine which meter is for which service by looking at the usage in this section and cross reference to the units in the Billed Line Items section.
- 5. Billed Line Items:** This includes the charges for the services provided to the property. This may include water highlighted in blue, sewer highlighted in green, recycled water highlighted in purple, and/or landscape water services at the appropriate rates along with any applicable surcharges. If there are any additional fees or penalties, they would be reflected below the services and are identified as "Total other charges." After all the charges are listed you will see a summary of total current charges, balance forward, total due, and estimated average cost per day based on this billing period.
- 6. Bill Messages:** This is where EID places any important messages regarding your billing or other District information.
- 7. Payment Coupon:** If you wish to mail your payment in, please tear off and remit this coupon with your payment in the envelope provided.
- 8. Address To Mail Bills:** EID uses a third party check processing vendor. Use this address to mail in your payments by check or if you are setting up a Bill Pay with your financial institution.
- 9. Carry Over Space:** This section is used for additional line items, should they not fit on the first page, such as bill messages and/or balance summary.
- 10. Important Information Regarding This Bill:** This shows how to contact EID if you have questions about your bill, the terms of payment, water conversion factors, and other disclosures. These are subject to change at any time.
- 11. Consumption History Graph:** This graph shows a 2 year history of potable water consumption in cubic feet.
- 12. Account Information Change:** This section is for updating or changing your contact information such as your mailing address, phone numbers, and email address. Please fill out and return the back part of the coupon and check the box on the front of the payment coupon. Account contact information can also be updated and changed on our website at eid.org
