

El Dorado Irrigation District

Notice of Early Morning Work Planned at Forebay Dam

EID is providing this courtesy notification regarding construction activities at Forebay Dam that will be beginning at **3:00 A.M. on Friday, July 26.**

Work prior to the usual 7:00 A.M. start time is necessary to allow crews to complete concrete work in the emergency spillway while air temperatures are cool. This work is critical to ensure the finished concrete structure will meet all necessary specifications.

If you have questions regarding the project, or this notice, please contact us at ForebayProject@eid.org the District or at (530) 622-4513 and ask for a representative for the Forebay Dam Modification Project.

Thank you for your understanding during this essential part of this important project.
