APPLICATION CHECKLIST FOR WASTEWATER DISCHARGE PERMIT (WWDP)

This checklist must be submitted with all Automotive Wastewater Discharge Permit Applications. Failure to submit a complete application may result in your application being returned for correction of deficiencies, which may delay Permit issuance.

Does your facility discharge to El Dorado Irrigation's (EID) sanitary sewer system?

- My business **is not** connected to EID's sanitary sewer. All waste is treated by a private sewage disposal (septic) system. You are exempt from discharge permitting. Please sign this form and return to EID.
- My business **is** connected to EID's sanitary sewer. You may or may not be exempt from discharge permitting. Please continue completing, signing, and return this form along with the Permit Application for review.

REASON FOR SUBMITTAL (Please check appropriate box)

- RENEWAL PERMIT APPLICATION - Facility has an existing Wastewater Discharge Permit and has been notified by EID the permit is due for renewal.
- NEW BUSINESS PERMIT APPLICATION - New construction*
- NEW BUSINESS PERMIT APPLICATION - New business taking over existing building—**Includes remodel with or without business name/ ownership change***
- NEW OWNER PERMIT APPLICATION - New owner taking over existing automotive space- **Business name/ ownership change only with no remodel**

TYPE OF DISCHARGER (Please check appropriate box)

- You store, utilize, or generate chemicals, hazardous waste, or other products with the ability to harm the Wastewater Treatment Plant (WWTP) or sewer collection system which **may have potential to discharge to the sewer as a product of conducting your business** if not managed properly via pretreatment or other means. Examples include, but are not limited to car wash sludge, petroleum oils, lubricants, solvents, paints, and greases.
- You **do not** store, utilize, or generate chemicals, hazardous waste, or other products with the ability to harm the WWTP or collection system.

ADDITIONAL REQUIRED DOCUMENTATION (If applicable)

* Unless specifically instructed, a plot/plumbing plan is **only required for New Business Permit Applications.**

- PLOT/PLUMBING PLAN

CURRENT PERMIT CLASSIFICATION FEE

Non-Significant Industrial User – Automotive = \$ 8.58 per bi-monthly water/sewer bill**

****DO NOT submit any form of payment with the application packet. Upon issuance of a Wastewater Discharge Permit, the District will assess a bimonthly fee on the Customer of Record’s water/sewer bill in accordance with the District’s Fee Schedule (AR 11010-Attachment A). Fees are subject to change.**
