AMERICANS WITH DISABILITIES ACT: In accordance with the Americans with Disabilities Act (ADA) and California law, it is the policy of El Dorado Irrigation District to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including individuals with disabilities. If you are a person with a disability and require information or materials in an appropriate alternative format; or if you require any other accommodation for this meeting, please contact the EID ADA coordinator at 530-642-4045 or email at adacoordinator@eid.org at least 72 hours prior to the meeting. Advance notification within this guideline will enable the District to make reasonable accommodations to ensure accessibility.

Please take notice, as a result of the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order (EO) N-29-20, which waives certain requirements of the Ralph M. Brown Act (Brown Act) in order to prevent gatherings and slow the spread of COVID-19. Specifically, EO N-29-20 waives the requirements that local public agencies (1) notice each teleconference location from which a board member will participate, (2) make each teleconference location accessible to the public, (3) allow the public to address the agency from each teleconference location, (4) post the agenda at each teleconference location, and (5) ensure that a quorum of the board participate in locations within the boundary of the agency. EO N-29-20 requires local public agencies that conduct public meetings telephonically to allow members of the public to observe and address the meeting telephonically or otherwise electronically.

On June 11, 2021, Governor Newsom issued EO N-08-21, which extended the provisions of EO N-29-20 related to the Brown Act described above until September 30, 2021.

As of July 26, 2021, District Board Meetings will be open to in-person attendance by the public and conducted virtually. For in-person participation, unvaccinated individuals should wear a mask indoors at all times, per Centers for Disease Control and Prevention (CDC) guidelines. In accordance with EO N-29-20 and EO N-08-21, the public may participate in the District's Board meeting by teleconference or web conference via the instructions provided below. Members of the public who participate in the meeting via teleconference or web conference will be given the opportunity to speak and address the Board, and their comments will be included in the recording of the meeting. The meeting materials will be available for download from the District's website at www.eid.org. Video recordings of archived Board meetings can be found at the District's YouTube channel at <https://www.youtube.com/channel/UCqtTFIOXkzfsrgj1b095AA/playlists> where they are retained in compliance with the District's retention schedule.
