

El Dorado Irrigation District

NOTICE OF PUBLIC HEARING Sly Park Intertie Improvements Project Certification of Final Environmental Impact Report

NOTICE OF PUBLIC HEARING: NOTICE IS HEREBY GIVEN that the El Dorado Irrigation District (District) Board of Directors will hold a California Environmental Quality Act (CEQA) public hearing to consider certification of the Final Environmental Impact Report (EIR) for the Sly Park Intertie Improvements Project at 9:00 A.M. on Monday, April 8, 2024, during a regularly scheduled meeting at District's Customer Service Building, 2890 Mosquito Road, Placerville, California 95667.

PROJECT DESCRIPTION: The proposed Project is located in Pollock Pines, California, and would replace approximately six (6) miles of the existing Sly Park Intertie (SPI) pipeline with a new pipeline and includes installation of a new pump station at the District's Reservoir A facility. The new pipeline would be primarily located within the existing SPI alignment, with some limited deviations. The Project will reestablish the connection between the District's two largest water supply sources, Project 184 and Jenkinson Lake, significantly increasing water supply reliability throughout the District's distribution system. Project construction is anticipated to occur over two years beginning in 2024 with completion in 2025.

PROJECT BACKGROUND: The SPI was originally constructed in 1978 to help alleviate severe water shortages resulting from the 1976-1977 regional drought. Multiple pipeline assessments have determined that advanced corrosion has compromised the integrity and functionality of the SPI pipeline.

DOCUMENT: The Final EIR includes the Draft EIR, comments received on the Draft EIR, the District's responses to those comments, and the mitigation, monitoring, and reporting program for the Project. The Final EIR also includes revisions, errata, and new information added to the Draft EIR, that were added to the EIR for clarification purposes.

AVAILABILITY OF DOCUMENT: The Final EIR is available for review at the following locations:

- District website at www.EID.org/SlyParkIntertie and www.EID.org/CEQA
- Placerville Main Public Library, 345 Fair Lane, Placerville
- Pollock Pines Public Library, 6210 Pony Express Trail, Pollock Pines
- Pollock Pines-Camino Community Center, 2675 Sanders Drive, Pollock Pines
- District Customer Service Building, 2890 Mosquito Road, Placerville

ADDITIONAL INFORMATION: The District maintains a project webpage at: www.EID.org/SlyParkIntertie. If you would like to receive an email notice when updates are posted to the project webpage, please sign up for eNews at on the District's website at: www.EID.org/eNews.

ADA ACCESSIBILITY: It is District policy to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including individuals with disabilities. If you are a person with a disability and require information or materials in an appropriate alternative format; or if you require any other accommodation, please contact our ADA Coordinator at least 72 hours before the meeting by phone at (530) 642-4045 or by e-mail at ADACoordinator@EID.org.
