PLANNED SEWER PIPELINE CONSTRUCTION ON OAKMONT LANE, LAKEVIEW DRIVE, AND SOUTH SHINGLE ROAD BEGINS IN JUNE

Mother Lode Force Main Phase 2C – Public Meeting Wednesday, March 20

Placerville, Calif. — El Dorado Irrigation District is continuing the sewer pipeline construction project of the Mother Lode Force Main, with construction anticipated to begin in June 2013 and complete by August 2013. The construction area will be along Oakmont Lane, Lakeview Drive, and a small portion of South Shingle Road (see attached map). In accordance with the County's encroachment permit, it is anticipated that construction will occur between the hours of 7:30 A.M. and 5:00 P.M. **Sewer services will not be affected during construction.** Traffic control will be implemented to maintain traffic flow.

The project is part the District's ongoing capital improvement plan (CIP) to replace the original sewer pipes for the Mother Lode Force Main.

EID will be holding a public meeting to discuss the project at the office of the El Dorado County Water Agency located at 4110 Business Drive, Suite B, in Shingle Springs on Wednesday, March 20 at 6:00 P.M.

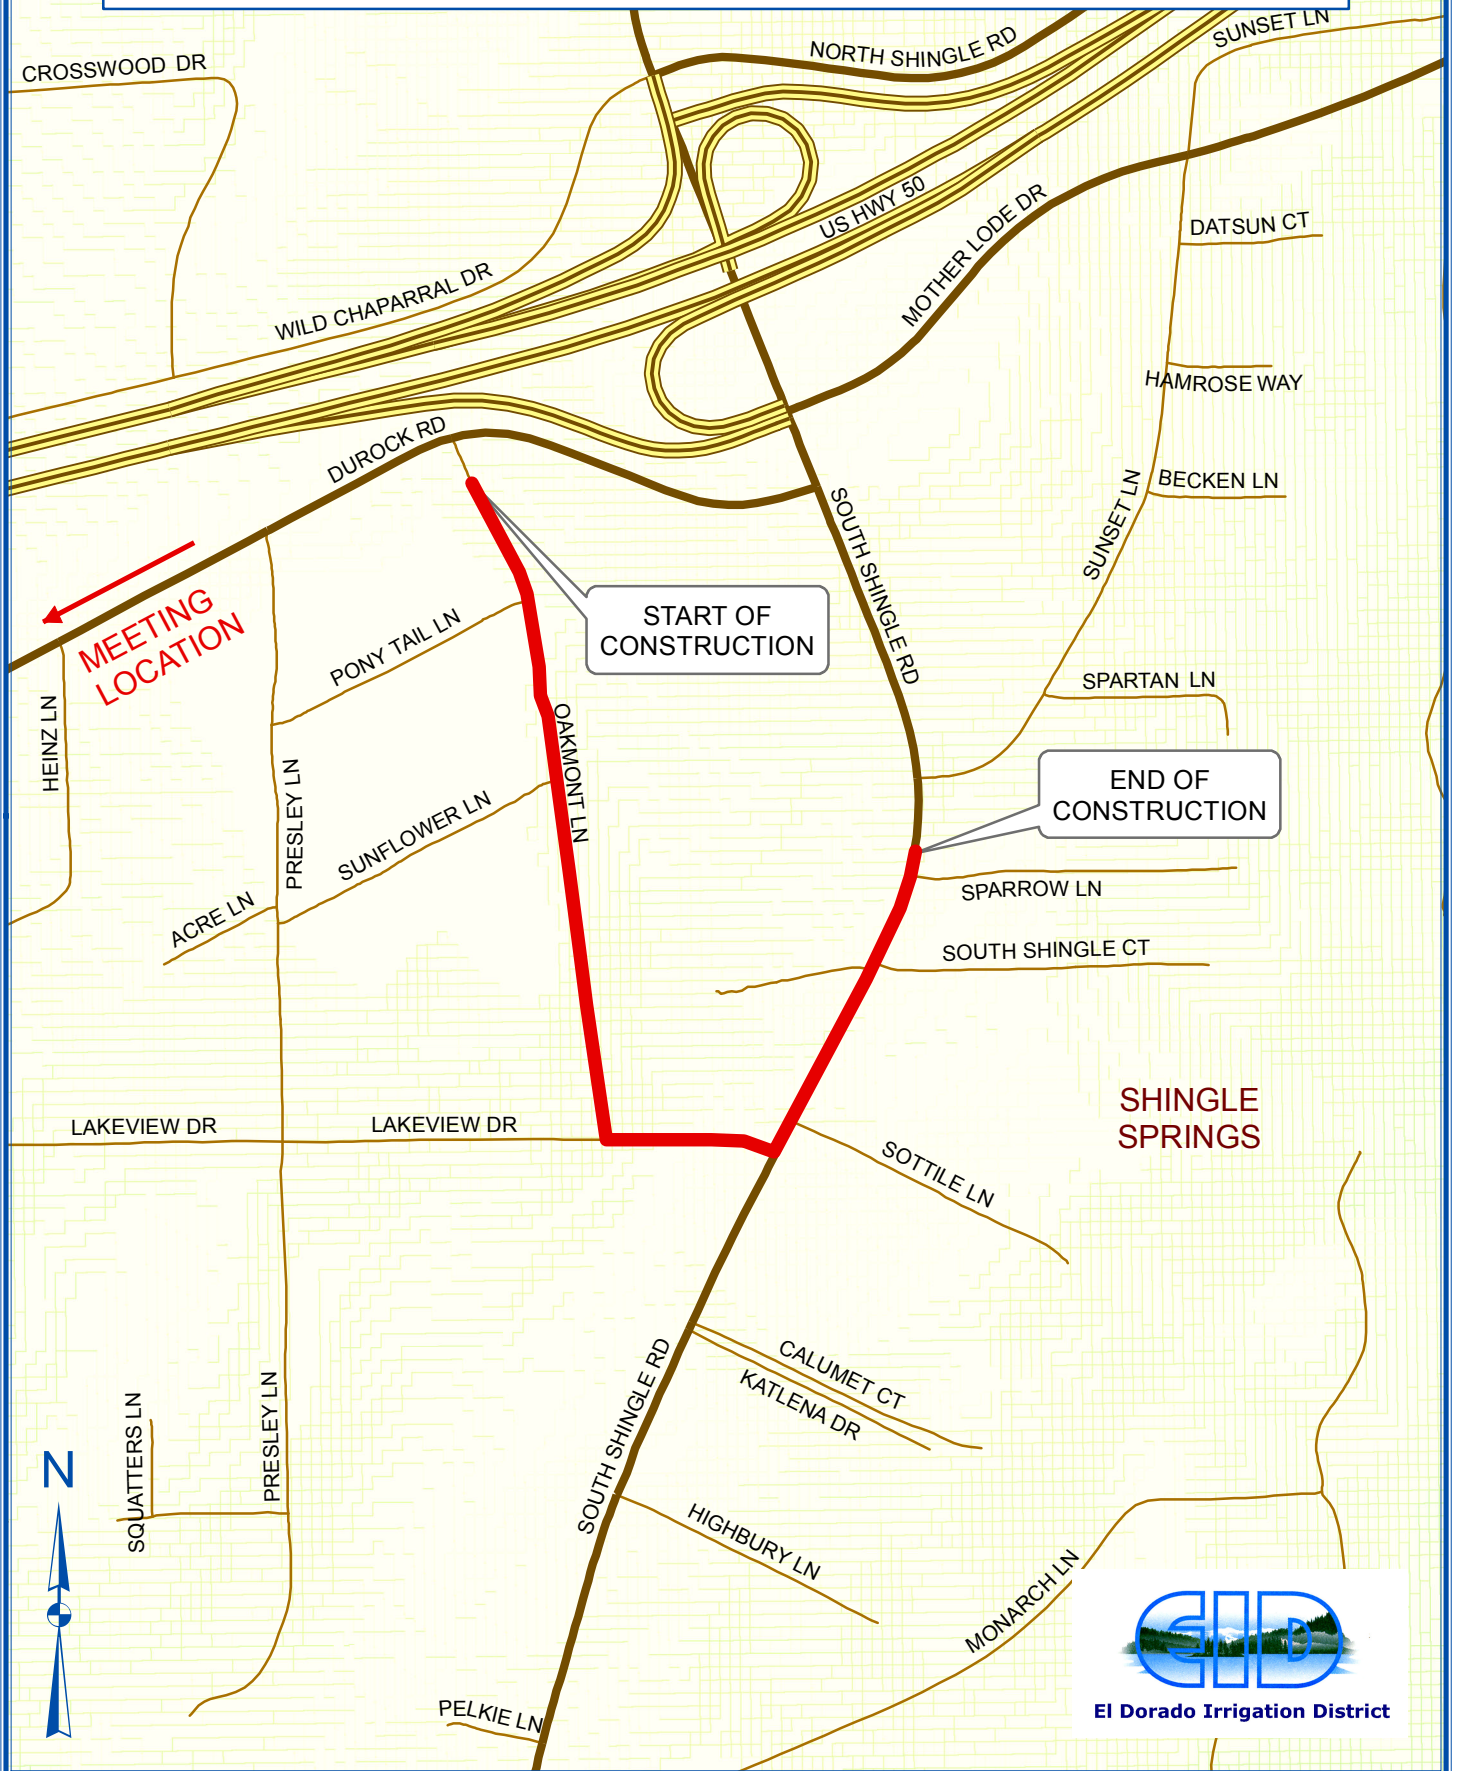

In accordance with the Americans with Disabilities Act and California law, it is the policy of the El Dorado Irrigation District to offer its public programs, services and meetings in a manner that is readily accessible to everyone, including individuals with disabilities. If you are a person with a disability and require information or materials in an appropriate alternative format; or if you require any other accommodation, please contact the ADA Coordinator at the number or address below at least 72 hours prior to the meeting or when you desire to receive services. Advance notification within this guideline will enable the District to make reasonable arrangements to ensure accessibility.
