

**EL DORADO IRRIGATION DISTRICT**  
**FACILITY IMPROVEMENT LETTER REQUEST FORM FOR ANNEXATION**

1. Submit a letter from the appropriate fire protection district that states the fire flow requirements for your proposal.
2. Provide any environmental documents and/or surveys for on site or adjacent properties.
3. Provide approximate length and size of water, recycled water and wastewater lines required to serve the project.
4. Provide a utility layout drawing of the water, recycled water and wastewater lines.
5. Submit a check for the applicable fee payable to El Dorado Irrigation District. Please contact Development Services at (530)642-4028 or services@eid.org for the current fee amount.

**The Facility Improvement letter for Annexation is not a commitment to serve, but does address the location and approximate capacity of existing facilities that may be available to serve your project.**

1. **Applicant's Name and Address:** (To whom the letter will be addressed and emailed to)

	Contact Person _____
	Phone Number _____
	E-mail Address _____

**Send Copy of Letter to: (Name and Email Address)** \_\_\_\_\_  
 \_\_\_\_\_
