SURVEY PERFORMED BY:
Scale: 1" = 300'
1 of 2

NOTES:

1. This map was prepared by the Surveyor General of the State of California, and represents the best information available to him at the time of the survey. It is not a guarantee of accuracy, and the user assumes all responsibility for the use of the map. The map is based on the 1983 datum, and the elevations are in feet above sea level. The map is not a substitute for a professional survey, and the user should consult a professional surveyor for more information.
