El Dorado Irrigation District
Project 184

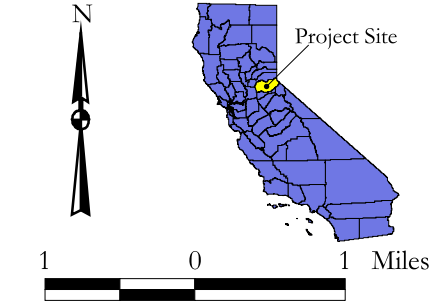

El Dorado County, CA

-  Canal
-  Tunnel
-  Sheet

NOTES

1. The locations of the deer fencing were recorded using GPS and are accurate to within 1 meter. However, the perpendicular distances of the fencing from the ditch as shown on Sheets 1 - 7 are approximate.

GIS Data Projection: Teale Albers, NAD 1927, units: meters.

Source: USGS 7.5 minute topographic quadrangles: Kyburz, Riverton, Pollock Pines, and Slate Mtn.; and EIP Associates: GPS data (2001-2002), and GIS Program June 2002.

PROJECT NUMBER: 10540-01
